A better way to fuel your business

Convenient solutions for your fuel requirements

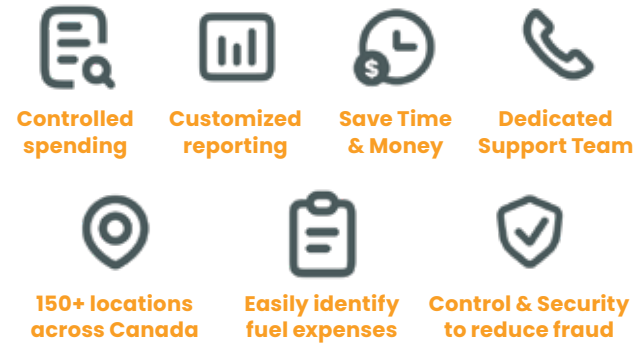

CONTROL SPENDING, REDUCE FRAUD & SAVE TIME WITH CENTEX **fuel**pass

Whether you're fuelling cars for your sales reps, delivery vans, or a fleet of transport trucks, the Centex **fuel**pass has you covered.

MANAGE YOUR FLEET AND TRACK SPENDING WITH OUR ONLINE PORTAL

Centex's fleet portal simplifies fuel management, helping businesses track consumption, control expenses, and secure transactions. Users can manage fleet cards, access statements, and monitor purchases with detailed tracking and security features.

FEATURES OF THE CENTEX FLEET CONSUMER PORTAL

fleet.centexpetroleum.com

Comprehensive Dashboard

- Total Purchases: Summarizes all fuel transactions.
- Usage Insights: Tracks current and past fuel consumption to identify spending patterns.
- Payment & Discounts: Monitors statements, payments, and applied discounts.

Usage Monitoring

- Custom Reports: Generate detailed, customizable reports for better cost analysis.
- Transaction Tracking: Access individual fleet cardholder details to verify purchases.
- Account History: View full account history, including statements, payments, and balances.

Enhanced Security & Fraud Prevention

- PIN Protection: Each fleet card is secured with a unique PIN.
- Purchase Tracking: Assign aliases to cards and log purchase details for transparency and fraud prevention.

Improved Operational Efficiency

- Cost Control: Optimize fuel spending and fleet management.
- Automated Reporting: Reduce manual tracking and streamline operations.
